ORIGINALS The 1930s

Series 1

2017 Historic Autographs Originals returns with the 1930s Series 1. Originals the 1930s mixes original cards from the decade with cut signatures. A total of 120 players are featured in the limited edition release, of which 30 are Hall of Famers. 37 of the 120 players are short printed to 5 and all other players have a minimum print run of 10 and a max of 25. The total production run will be 86 hand numbered 16 box cases.

Key players on the checklist include Babe Ruth, Rogers Hornsby, Mel Ott, Tony Lazzeri, Pie Traynor, Al Simmons, Hank Greenberg, Gabby Hartnett, Moe Berg, Benny Bengough, Mickey Cochrane, Charlie Gehringer, Chick Hafey, and more.

All of the cards used for a specific player in the main set are the same. This means no variations or an endless chase if you're simply going after the main 120-card set. Original cards used include 1933 DeLong, 1934-1936 Diamond Stars and 1933 & 1938 Goudey.
