Dear Tom,

I appreciate your invitation
to come over Sept 23rd but I'm
only home four days and will
have more than I can do. won't
have a spare minute. Have to
move the baby down to the country
and pack up as I leave right
for the west as soon as the season
closes. So you will have to excuse
me.

Dear Jeff:

Glad you ran into Luke at Old League Park. I had a lot of pleasant moments at that Park.

Mr. Sewell, and I was in Akron in the first of August, so I was inducted into the Ohio Sports Hall of Fame at New-Camers-town, Ohio. It was a fine day, and you baseball fans should help Mr. ^{Shin} Shin and you could really have something you would be proud of. He is doing a fine job, but he needs more help, and interest from baseball people, and fans.

Thanks for remembering me.

Sincerely
Joe Sewell

Dear Ray:

We haven't any extra
Caps and we aren't allowed
to get any balls so I
guess you will have
to be satisfied with
this. If I do get a chance
to get something I will send
it to you.

Dear Jeff:-

Received your nice letter;- glad to hear from
you
It must have been a pleasure to you to meet
some of the old time ball-players, I would have
loved to be there to greet some of the old timers.

On May 1st I had the honor of throwing out
the first ball at Philadelphia, I am 93 years old
the oldest living Phillie ball player, that's why
they had me throw ~~it~~ out the 1st ball on their
100th anniversary in the National League.

Enclosed find picture of the occasion.

Again thank you for your nice letter

Sincerely

Joe:

Jim sorry I do not have another picture for your sons. I know you are encouraging them to follow baseball because it is such a wonderful sport and provides great entertainment & recreation for the fans.

Baseball was good to me for the short time I participated. Since 1941 I have been here in this Sporting Goods store and enjoyed that work. It is all sports and I continue to follow baseball, football, basketball and other athletic contacts. I play tennis three times per week and stay in shape.

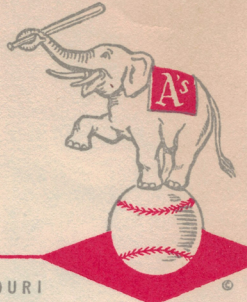

Thanks for your letter and best wishes to your Joe and Mike.

Dear Jeff

Thanks for your letter, I too like Bob O'Farrell, think that winning the 1936 World Series, was surely my greatest thrill in Baseball.

I am sorry, but I do not have any photos, or cards, or my signature on this note will have to do,

Sincerely

I enjoyed receiving your letter and thank you so much for the nice comment.

I'm very sorry but I cannot send you an autographed photo. I just do not have any. Since I retired, I just let my supply run out. However, if you ever get one, just mail it to me and I will be happy to autograph it for you.

Thanks Jeff for being a good fan and the best of luck to you.
