

CHECKLIST

HA 2025 Uniques is composed solely of one-of-a-kind authentic cut-autograph magma foil cards. The checklist includes sports figures from MLB, NFL, NHL, NBA, PGA plus celebrities and historical figures. There are four types of cut-autograph cards:

1. **Pitchers** who yielded longballs to 500 HR Hitters - Baseball pitchers who yielded home runs to famous hitters including: Babe Ruth, Hank Aaron, Mickey Mantle, Ted Williams, Jimmie Foxx, Willie Mays, and Mel Ott. Each card identifies the home run number pitched to the star.
2. **Double Sided** - Each card includes two cut autographs of famous people: one on the front, one on the back. The two people relate to each other, for example: both were 1969 World Series Champions or one-handed MLB players or MLB All-Star winning and losing pitchers, or acted in the same movies, etc.
3. **Famous People** - MLB and other sports stars, famous actors, and misc. people including: Orville Wright, Branch Rickey, Johnny Unitas, Hank Greenberg, Susan Hayward and Orson Welles.
